REACHING OUT . . .

As students enter Superior Senior High School, they are offered three short years in which to gain helpful experience. An equal opportunity for all is provided by academics, organizations, and sports. The many people encountered in these early years of life reach out to extend friendship.

The 1970-71 Lacedaemon Staff will highlight HANDS: spreading, reaching, expressing, and striving.

... FOR KNOWLEDGE

Knowledge is often called the key to success. As students reach out for this goal, their minds are broadened and new and rewarding experiences are opened to them. What they learn during these years will stay with them throughout their lives. Years from now many will look back and remember the long hours they spent studying for that Math A test or doing that fifteen page research paper. All the time and effort will prove to be self-satisfying in the future.

... **FOR**

FRIENDS

At the beginning of a new school year people can walk down the halls and not see anyone they know. When they put a smile on their face, their friendship spreads to everyone who sees them. In the sweetness of friendship that has been spread by seniors and underclassmen, they have all felt laughter within them, perhaps by a joke or produced by a mood. The students have been sharing pleasures — the glow that is felt deep inside as they take pride in their team or the little things that can mean so much. By the end of the school year they can walk down the same halls and see their friends everywhere. Friendship is a way in which a person communicates and expresses himself. Friendship is a peace to be spread within each heart and soul. A person cannot direct the way of friendship, for friendship, if it finds him worthy, directs his course.

... FOR **ACHIEVEMENT**

Throughout the year, the Spartans have striven for success with a combination of wins and losses. Whether sinking a basket, slamming a homerun, or throwing a pass, the athletes showed their sportsmanship and ability. Clapping hands and cheering voices were heard at both the home games and on the road, where the faithful fans added to the excitement of victories and lessened the pain of losses.

The hot summer grids, fiery pep talks, and the cold suppers after long practices proved beneficial in each of the eleven sports offered at SSHS. New coaching, enthusiasm, and devotion combined to build exceptional characteristics in all who participated.

Young people working together on their specific interests must use their hands and minds to express their desire to reach certain goals. They must take hold and grasp what they feel will be most beneficial now, and in their futures. Academies, clubs, and other activities can lend a helping hand in creating those accomplishments. Most students felt that by participating in their favorite club they gained a sense of belonging. By striving to do their part in each event, they helped to make their club the best. Parties and other special events highlighted the year. A welcome and friendly hand was always extended to each member.

Foreign Languages *Create Understanding*

French, Spanish, and German are the three foreign languages offered this year. All first year languages stress developing the basic speaking and writing skills. In second year the classes increase their vocabulary and read stories written in that particular language.

Tapes are used daily in Spanish III so students may hear a variety of speakers. German III gives you a chance to perfect your skills in speaking and gives a good understanding of music, philosophy, and literature. More difficult reading material is featured in French III. A few authors studied are Moliere and Corneille.

Language Arts

Increases Vocabulary

English 10 and English 11 are required in order to graduate while English 12 is an elective. In English 10, the year's study consists of poetry, grammar, and short stories. Poems, vocabulary, essays, and stories are included as the main part of the English 11 course. Many students take English 12 as a prerequisite for entering college. English 12 is composed of vocabulary study, English Literature, and essays.

Another main part of the Language Arts Department is Journalism and Dramatics. Journalism classes are connected with the publication of the newspaper and yearbook. Dramatics I consists of learning the basic techniques of acting, and language is then applied in Dramatics II.

The new vocabulary words of the day are put on the board by Chuck Hagen.

Group discussions in class enable students to talk over their latest short story.

Linda Miquet strives for the sensible in her math class.

Mathematics

Teaches Concepts

Algebra, Geometry, Math A and Math B are challenging subjects designed to introduce and develop the use of reasoning in conjunction with logical organization in the solution of any problem. Math students discover that these courses requires a great deal of patience. Math A and Math B students participate in an annual statewide examination in which many students score a high percentage.

Jim Dunleavy uses the slide rule as an aid in Math A.

Science

Performs Experiments

Biology, chemistry, physics, life science, and physical science provided a clearer understanding of life and the everyday questions which pursue the mind such as why is rain wet? What conditions must be made in order for man to live in other universes? What constitutes a rainbow? These courses are so designed as to fulfill both the needs of those students who wish to continue work in science related fields and those who will do no further formal work in science.

Robin Peterson demonstrates the making of jewelry to Swedish exchange student, Ulla Rosen

Art

Encourages Creativity

The art students were busy once again this year decorating for many school activities and special events, including the Christmas concert, the Prom, Baccalaureate and Commencement. There were also ceramic and jewelry displays every quarter and other arrangements throughout the school to match with the seasons. The commercial art classes supplied posters for the school's dramatics department

The seniors this year also put their entries in a high school art conference and an art show for the entire art department was held in the spring

Ann Harry enjoys practicing her cello for the annual Christmas concert

Music

Requires Practice

The Spartan Band and Marching '100' of the music department were under the direction of Mr. Donald Anderson, who joined the staff this year. In order to improve their musical skills, the percussion, brass, and Marching '100' woodwinds practiced in sectionals on different days of the week.

A stage band, or dance band, under the guidance of Mr. Anderson, and consisting of a small number of band members was organized this year.

The choirs, as well as the Spartan Band and orchestra, participated in music contests along with Christmas and Spring concerts.

Home Economics

Prepares for Future

Teachers, as well as students, benefited from the home economics program at SSHS. The girls in home ec. prepared meals on a limited budget and served them to faculty members. The students also studied dating, marriage, family living, and child development.

Girls in home arts became aware of art in daily life by designing and decorating a home of their own.

Ken Jones, the only boy in home ec., shows girls how it is done

Concentration is required to plane a board, as shown by Keith Allc

David Soar spends time working on the Bridgeport Milling Machine

Sieve Reno demonstrates his ability on the circular saw to Mr. Robert Malone

Industrial Arts

Develop Skills

Industrial arts courses were designed to help students develop manipulative skills with hand and power tools. Students enrolled in these courses explored the history of man's technology with usable power.

The purpose of the industrial arts course was to enable students to select vocational goals and to develop vocational interests.

Carol Engstrom points out the SCENIC PORT OF THE NORTH to her Probs class

Social Studies *Explains History*

SSHS offers three types of social studies. World Affairs, American History, and Problems of Democracy. World Affairs, offered in the sophomore year, presented students with major world problems and the means to comprehend them. In the junior year, American History was required. The course was designed to explain the great issues of American History. Problems of Democracy provided seniors with a better understanding of our nation's problems. The course surveyed problems in the areas of economics, political science, psychology and sociology.

The courses were offered as a help to explaining the past and present, and to learn from our past mistakes to better the nation in the future.

Panel discussions are held regularly during American History classes

Business Education

Teaches Clerical Skills

The large number of business courses offered at SSHS this year all had one goal in mind, to prepare students for careers in the future. Many of the students enrolled in business received jobs through these classes. Through the help of their teachers, jobs were found at local businesses, banks, grocery stores and almost any other type of work that the students were interested in.

Business Education teaches students the proper procedures for filing, dictation, stenciling, and mimeographing. Typing and running off tests, announcements and schedules were only a few of the jobs these students were busy with.

Advanced techniques assist Tina Melin in completing her daily assignments.

The filing system in business classes shortens the work of the students.

Time tests are given regularly in typing classes.

Physical Education

Encourages a Spirit of Competition

You don't have to be tall to play volleyball in the boys' gym

Enjoyment and proficiency was the goal of the Boys' physical education classes this year. Students' activities included basketball, track, swimming, gymnastics, and body building.

The Girls' phy. ed. classes participated in various team sports: field hockey, soccer, volleyball, and softball. The principle aim of the program was improved physical fitness through games and swimming skills.

Peggy Rumors concentrates on mastering modern dance steps.

Special Education, Driver Education

Further Develop Needed Skills

Meeting five hours a day, the exceptional students have classes in math, English, and social problems. Basic skills for productive jobs were also stressed during the year. Learning to get along with others, keeping healthy, managing money, and enjoying beauty were essential activities taught. These exceptional students occasionally aided the less fortunate students from Cooper school in a joint swimming class.

A combination of classroom education and practical driving skills on the driving range comprised the Driver Education course. Students were required to have thirty classroom hours and six hours behind the wheel. This hard work is always beneficial to the students in the end.

Mr. Kossak tells the "why" of a problem to an exceptional student.

Students learn the rules of the road through experience behind the wheel.

MR. MICHAEL VERICH
SUPERINTENDENT

MR. LYLE MAVES
DIRECTOR OF INSTRUCTION

Board Of Education

Fulfills Duties With Efficiency

Mr. Michael Verich, in his first year as Superintendent of Schools, took over the position from Mr. Kenneth Ripple, who resigned last year. Mr. Verich feels that the strongest point at SSHS is to meet the needs of most of the students, both academic and non-academic. There is something for most students whether they are going to continue their education or not.

When asked how he would define the philosophy of the Superior educational system, Mr. Verich replied, "providing all young people of the district with an opportunity to develop

skills which will enable them to become contributing citizens in our society."

Selecting textbooks, interviewing prospective teachers, and determining subject matter taught in the Superior school system were the duties of Mr. Lyle Maves.

Because the position of assistant superintendent was vacant during the 1970-71 school year, Mr. Maves also performed many of these responsibilities in addition to his own as Director of Instruction.

In our sixth year of operation it is gratifying to see our graduates come to us as teachers and beginners in the various vocations. The family of Spartans has grown tremendously; a tradition has evolved which will eliminate any barrier wherever friends meet. As students, it is to your advantage to project your life into the future. Ask yourself the question: What will I think of my high school record two years from now? Five years? Will you be proud to show it to an employer? You make your record, we only keep it."

FRANCIS PAQUETTE
ASSISTANT PRINCIPAL

Mr. Francis Paquette, whose main jobs are guidance and discipline, comes in close contact with the students, particularly the boys. Mr. Paquette is now in his third year as assistant principal, and can usually be found in the link helping students and discussing problems. Interested in sports, Mr. Paquette attends most events.

FRANK CIRILLO
PRINCIPAL

ROBERT GRADIN
ASSISTANT PRINCIPAL

Planning the program for each student of SSHS is the big job Mr. Robert Gradin has to accomplish each year. Even with computer programming, making sure each card is written out correctly can prove to be somewhat a burden. With the split shifts, he also has to decide what students will be on what shift and take into consideration sports and other extra-curricular activities. Even with the amount of work he has, Mr. Gradin assists students in problems they may have.

ALICE MITCHELL, M.A.
Director of Guidance

The most time consuming area of Mrs. Alice Mitchell's work as Director of Guidance at Superior Senior is her concern and help towards the welfare of the girls enrolled in the school.

Mrs. Mitchell's other responsibilities include checking the daily absentees, conducting the various testing program and College Career Day.

She received a Masters Degree in Guidance at the University of Minnesota. Prior to coming to Senior High, Mrs. Mitchell served as Dean of Girls at the former Superior Central High School.

Every day brings new problems for Mr. James Lund, Sophomore Guidance Counselor.

In addition to being Student Council Advisor, Mr. Lund, along with the other members of the guidance department, was responsible for College Night which was held in October.

Mr. Lund's main satisfaction is in seeing students develop to their full potential.

ROBERT POLLOCK, M.Ed.
Senior Class Counselor
National Honor Society Adviser

JOSEPH ROGINA, M.Ed.
Junior Class Adviser
Student Council Adviser

Mr. Robert Pollock was kept busy this year as the Senior Class Counselor. He has been a teacher and guidance counselor to many students. Mr. Pollock has been a counselor since his graduation, making sure that each has the proper credits.

Before coming to North High School, Mr. Pollock taught at Superior High School and was a basketball coach. Before joining the Superior School System, Mr. Pollock taught at Solon Springs and Three Lakes, Wisconsin.

Mr. Joseph Rogina began his teaching career at Central High School where he taught English and Industrial Arts. But, after three years, he transferred to SSHS in 1968. In 1968, he served as a counselor at Central. This year, Mr. Rogina is serving as a sophomore and Student Council Adviser. He was involved in the Scholarship Guidance, and National Honor Society Committees.

Mr. Pollock awards Jill Seguin and Tom Stodola a certificate for placing high on the National Merit Scholarship Test.

Secretaries

Keep SSHS Running Smoothly

Secretaries once again proved to be a very efficient part of SSHS's staff this year.

Some of their routine jobs were taking all incoming phone calls, typing letters, keeping attendance records, compiling honor roll lists, selling tickets for sports events, helping with commencement tickets, and sending out transcripts and let-

ters of recommendations to colleges.

They were also kept very busy this year with a new job of preparing computer program cards for each and every student so the previous ones wouldn't have to be corrected as was done in the past.

Special Services

Are SSHS Task Force

Both the day and night maintenance crews helped to keep SSHS operating smoothly. Janitors were responsible for many tasks both inside and outside the school. Among these tasks were the upkeep of the lawn, keeping the sidewalks free of snow, and the constant job of picking up candy wrappers when students forgetfully threw them on the floor. The majority of students felt the custodians did an exceptional job of keeping our school presentable.

Sophomores

Face New Responsibilities

The sophomore class came to SSHS with feelings of excitement and insecurity. But soon the lonely halls were filled with new friends. Through participation in games, elections, and extracurricular activities, the sophomores joined together and became an active class. The underclassmen took on new responsibilities, such as Homecoming and Snow Week. Capable officers led their class, helping to make many important decisions throughout the year. The sophomores proved that "Senior High wouldn't be without the Class of '73!"

Shows SSHS Spirit

As the Junior class of 1972 began their second year at SSHS they found enjoyment in being upperclassmen, and renewed old friendships from the years before. Even with the responsibility of a successful Junior Prom on their hands, these students still found time to participate in many organizations and work with the Sophomores and Seniors in preparing the Christmas Dance. Elections were held and competent representatives filled the various offices.

Seniors

Hold on to Memories

The class of 1971 shared a year of hard work and enjoyable times. To show they had spirit, senior girls organized skits for pep assemblies. The student council officers and senior representatives led not only their class, but the entire school through a year of activities. Those who participated in Senior Breakfast and Senior Class Party, realized how exciting their senior year was. In the spring, Baccalaureate and Graduation climaxed an exciting year.

Foreign Students

Adopt a New Culture

This year five foreign students attended classes at SSHS. Of the five girls, two were from Sweden and three from Finland. The foreign students were sponsored by Youth For Understanding.

Ulla Rosen and Agneta Ostberg were the two girls from Sweden. Ulla's program consisted of speech, English 11, typing, ceramics, concert choir, and problems of democracy; while Agneta studied speech, English 11, commercial art, typing, and problems of democracy.

Pirjo Myllarinen, Helena Rytovuori and Irma Ojala were the three from Finland. Pirjo's classes at SSHS were English 11, French, commercial art, history, and problems of democracy. Spanish, English 11, history, and dramatics made up Helena's schedule, and Irma took speech, English 11, ceramics, history, and problems of democracy.

The girls stayed with families in Superior and left for home during the late summer.

Swedish foreign students, Agneta Ostberg and Ulla Rosen explain customs and society in Sweden.

Varsity Football *Wins Homecoming*

Junior Tom O'Brien leaps to intercept a Virginia pass

This year, Mr. Marvin Crowley returned to the football scene once again. After serving as Athletic Director here for the past five years, he replaced Mr. Jerauld Roesch.

After the long hot summer practices, the gridmen defeated Virginia to take the lid off the season. For the next four games the Spartans' team spirit and determination was not revealed in their record, since all were losses for the gridmen. After that it was all for the Spartans except to second-ranked St. Cloud Cathedral.

For only the second time in this school's history Homecoming was won. A 12-6 victory was in the hands of the Spartans once again.

Junior Varsity Football

Plays Tough Teams

The Junior Varsity, under the new coaching of Mr. Curtis Thompson, had its ups and downs this year. The Baby Spartans finished the season with four wins, two losses and a tie. The team scored an overall 114 points only three less than the opponents' total scoring of 117. Spartan potential was evident in the Sophomores this year, pointing to the possibility of an improved, stronger Varsity next year.

Basketball — Football Cheerleaders

Promote Spartan Spirit at SSHS

Two squads of pep promoters are the basketball and football cheerleaders. These girls led the crowds enthusiastically in cheers adding to the excitement of the games. By showing their concern for the team's victory, they inspired students to attend the games.

Eight girls made up the A squad football-basketball cheerleaders with two alternates. The B squad consisted of eight girls including two alternates. Both squads had bake sales to earn the money they needed. A squad purchased new uniforms along with jackets for the first time.

Tryouts for A squad positions were in May and B squad positions in November.

By capturing first in both the regional and sectional meets, Senior High's Cross Country team earned a berth in the state meet at Kettle Moraine, Wisc., where they placed fourth.

Superior's record included five first and two second place finishes which helped to make this the finest season in the history of the school.

A credit to this year's team was junior Mark Cummings who paced the team by winning first in four of the team's nine meets.

These accomplishments were achieved under the first year coaching of Mr. Gary Marker.

Varsity Basketball

Completes Best Season Ever

A Spartan ball hawk sneaks through Eau Claire's defense for an easy score

Under the first year coaching of Mr. Steven Kirk, the Varsity Basketball squad had its best season in the history of the school

Starting out the season with losses against two of the team's leading rivals, Eau Claire North and Eau Claire Memorial, the team gained confidence to go on to a twelve game winning streak. During this period, the Spartan ball-hawks overcame these two teams on the Superior court

During their season, with senior Jim Gerber as team captain, Coach Kirk initiated the Hawk Award. This award was given by Coach Kirk to the outstanding defense man of each game

The team ended its regular season placing tenth in the area out of 16 teams and then went on to tournament action

The Spartan Cagers earned the District Championship trophy at Ashland. After winning the first game in Regional play, they were stopped by an overtime loss to Cumberland

Junior Varsity Basketball *Trains for Varsity Positions*

Combining both junior and sophomore talent, the Junior Varsity basketball squad had another season of many wins.

With Mr. Donald Olson as coach, the team started with a win and three losses but were victorious in the major part of their season.

These varsity candidates played both at home and away in games before the Spartan varsity squad played their games.

The Spartan Jayvees compiled eight straight wins plus three at the end of their season to total 12 wins out of the team's 17 games.

Wrestling

Produces Regional Champion

Geoffrey Colby displays the wrestling ability which earned him a match at the Elsworth Sectionals.

The wrestling team, despite its defeats, proved to be one of the biggest sports at SSHS. Even though the matmen only come up with four victories, most of the meets were lost by less than six points, and could have gone either way.

Jeff Colby and captain Peter Gee earned the right to participate in the WIAA Regional tournaments. While Gee met with defeat, Colby came up with an impressive win to go on to the Sectionals. With an 11-4 lead, it looked as if Colby were on his way to state but he was pinned by his opponent in the last 30 seconds.

This season's team was under the first year coaching of Mr. Larry Hoff.

Varsity Hockey *Nabs State for Third Time!*

The 1970-71 hockey team combined teamwork and sportsmanship to put together the finest season, 18-3, in the school's history.

With the new Sunto Wessman Arena as the Spartan's new home, the team prepared itself for the state tournament which was held March 4-6.

The Spartan pucksters were the first team to grab an official WIAA State Championship in SSHS's six year history. Although the team won the state tourney the last two years,

this was the first to be recognized as official.

Captain Mike Johnson said that Mr. Gary Harker, in his first year of coaching at SSHS, "Came in when all the other coaches left and brought us to another State Championship and the best season we ever had."

Records were set by Bob Berg and Greg Rajanen with most goals and most assists respectively. The pair of seniors were also named to the All State Team.

Junior Varsity Hockey

Compiles 11-Game Winning Streak

The junior varsity hockey team compiled a highly successful record of 14 wins against only four defeats. Of these losses, one was to a varsity, and three to top junior varsity teams in Minnesota.

Captain Terry Bishop was the leading scorer for the season with 21 points, followed by Roger Liebaert with 17 points and Mike Johnson with 14 points.

This year Richard Torrence coached the squad and

served as assistant coach of the varsity.

"The team based its playing ability on four things: 1). pride 2). sportsmanship 3). excellence, and 4). a will to win," stated Coach Torrence about the team's fine season.

A dinner was given, in appreciation for the group's hard work, by the B-squad hockey cheerleaders.

At the banquet Jack Sislo was voted the most valuable player and Corky Aro was chosen most improved player.

Spirited Hockey Band members boost Spartan power

The Hockey Band enlivened not only Hockey games, but basketball games and pep assemblies throughout the school year.

Clad in Columbia blue jackets, this group performed both during the game and between periods to help boost Spartan spirit. The boys accompanied the team to many of the season out-of-town games.

The boys played at a benefit basketball game for the March of Dimes on Feb. 28. The game was played by the Green Bay Packer and Minnesota Viking football teams at the Duluth Arena — Auditorium.

The most important event for the Hockey Band this was the Hockey Tournaments in Madison. Praise was given to the group for their outstanding ability in entertaining some 3,000 screaming fans.

To improve their skill of golf, Charlie Place and fellow team member Kim Thompson, attended the U.S. Open in Chaska, Minnesota.

Mr. Bernard Tomzak was the year's coach. He felt the team had great ability and enthusiasm.

Track Team

Has Record-Winning Year

The 1970 Track team at Superior Senior High proved to be the best in the history of the school. Out of eighteen events, records were broken in eight.

Indoor track started off the season. Three meets were held and the cindermen took top honors in each. The Packy Paquette Memorial, which included 15 area teams, was won for the second year in a row by the Spartans. Rocky Nelson was named the outstanding athlete of the meet.

Firsts were taken in all but three meets; seconds were awarded at those three meets in outdoor track.

The eagerly awaited tournaments proved to be very rewarding to the Spartans since both regionals and sectionals were won, to qualify five individual events and one relay team for state.

Coach Ron Orlandi's Spartan baseball players came through with 13 wins in their regular season play and one loss in tournament action.

Both South Shore and Northwestern were shut out by the Spartan team in the district tournaments here. By overcoming Mellen 7-0, the Spartans won the district playoffs which put them in the sectionals. Sectional wins over New Richmond 6-2, and Bruce 10-0 put Coach Orlandi's boys in the state tournament play for the third year. The Spartans beat Sauk Prairie 9-3 but lost to Wilmot by a score of 4-3.

The Spartan nine averaged 8.6 runs per game while holding their opponents to 1.6. The Spartans also managed six shut outs in their 20 games of the season.

GAA is an organization for all girls interested in after-school athletic activities.

Dancing, gymnastics, swimming, volleyball, basketball, and bowling are all events included in the club activities. The girls not only develop their athletic ability but also have fun competing against their own class members.

Officers for 1970-71 were Barbara Larson, president; Lillian Hoff, vice-president; Laurie Buchanan, secretary, and Sheryl Master, treasurer.

Cheers the Spartans to Victory

Pep Club Officers, Mary Phillips, Julie Murphy, Kathy Kulus, and Polly Susens "build up" school spirit.

SsHS has always been known for its great spirit, but this year, with the help of the Pep Club, it grew even more. Club membership was offered for those who appreciated their teams' hard work. The 150 members enthusiasm was revealed through their cheering voices, both at home and away, and in their colorful signs.

For the first time the club sponsored a banquet this year. Since the dinner was to come before the hockey game that night, invitations were sent to the coaches, both teams, teachers, and the entire student body. It was estimated that over 200 individuals were present. Music was provided by the Hockey Band.

The Pep Club officers were Polly Susens, president; Julie Murphy, vice-president, Kathy Kulus, secretary; and Mary Phillips, treasurer. Mr. Edward Kossak served as the adviser this year.

The officers organized bus trips for football, basketball, and hockey.

Marching 100 Band

Wins Honors in Christmas Parade

Marching 100 keeps in step

The Marching 100 band was under new direction this year, that of Mr. Donald Anderson, who worked closely with the students.

Doing their jobs to add to this year's spirit and moral, the band participated in many events. Among these were, Homecoming, half-time entertainment at all of the football games, and the annual Christmas City of the North Parade.

The Marching 100 also performed concert music and displayed their talents in this area of music at the Christmas Concert and the spring Festival of the Arts.

Spartan Band

Performs at Athletic Events

The Spartan Band, under the new direction of Mr. Donald Anderson, finished an active year of marching in parades, playing at basketball games, and performing in concerts.

They performed at the annual Christmas concert, a February concert, and the Spring Concert. They also competed in the Wisconsin School Music Association contest in May, at which last year a number three award was presented to them.

The Spartan Band consisted of approximately 68 sophomore and junior students. Mr. Anderson gave individual lessons to each student once a week to improve the quality of the Spartan Band.

Spartan Band members practice many, long hours preparing for the Christmas concert.

Orchestra

Is 'Number One' in State!

This year's 98 member orchestra was selected to perform in Madison, the state capital. This honor was the result of a tape submitted by the 1969-70 orchestra. Directed by Miss Shirley Wagner who feels, "This is probably the finest group I've ever had," the members met three days a week.

The orchestra gave selections at the Christmas and Spring Concerts. They also appeared at Superior State University for a concert. In the spring, the group entered two city contests, with the individual winners going on to state.

The members of the orchestra were busy selling candy in the first part of the new year. The money was then spent on tuxedos for the male members of the group.

The final performance was given when the orchestra played selections at the Pops Concert held here in March.

Concert Choir *Entertain Community Groups*

Concert Choir enabled students of above average musical ability — especially those who do not play an instrument, to express themselves musically. Selections ranged from those of Simon & Garfunkel and Burt Bacharach to the famous choral works of Bach, Mendelssohn and Hassler as well as lesser known composers.

"The main objective of choir is to provide its members with exposure to various choral highlights so that they might acquire a mature appreciation of fine choral literature," said Mr. David Pufall. Students of the 63 member group were recruited through an individual audition last year by Mr. Ernest Teie.

The Spartan Singers are a select group chosen from the Concert Choir. They also studied various composers. This group of individuals represented the school by singing at various social and religious events in the community. Rock, folk, and madrigal, as well as religious music comprised their repertoire. Concert Choir and Spartan Singers performed together except when, because of its size, the choir could not attend.

A Male Chorus, of 16 boys, was organized this year by Mr. Pufall. The members did this on their extra time and did not receive a credit. The chorus performed at both the Christmas and Spring Concerts and also at the Pop Music Concert.

Girls' Choir

Participates in Annual Concerts

The Girls' Choir, under the direction of Mr. David Pufall, practiced every other day to train their voices for the Christmas Concert and Spring Concert. The choir, composed of 67 junior and senior girls who were not in the Concert Choir, also sang at a music contest sponsored by the Wisconsin School Music Association. The girls sang mostly religious, pop, novelty, folk, and Broadway show tunes.

Sophomore choir, which is open to all sophomores, has 56 members. By having a mixed choir, three and four part music can be performed.

The choir performed for the Christmas and Spring Concerts in which they join in with the other choirs for a few selections. They also sang for the Fine Arts Festival and the May Music Contest at Superior State University.

Sophomore choir was under the direction of Mr. David Pusall.

National Honor Society

Works Hard to Maintain Membership

The National Honor Society, under the guidance of Mr. Robert Pollock, had a membership of approximately 68 juniors and seniors. Students may become a probationary member during their sophomore year. When these students applied for membership, they were judged on their grade average, their character, and their leadership ability.

In order to apply for membership, one must have two successive quarters of at least 15 points for four subjects; 16 points for four-and-a-half subjects, 18 points for five sub-

jects, 19 points for five-and-a-half subjects, and 21 points for six subjects. Students cannot fail to receive the required amount of grade points for two successive quarters or they are dismissed from the National Honor Society.

Those seniors who graduated as members of the National Honor Society received gold tassels, instead of blue tassels.

The society was led by: John Mahan, president; Whipp Johnson, vice-president; Kathy Kulus, secretary; and Larry Haack, treasurer.

Mets Club

Promotes Interest in Science

The Mets Club was more active this past year than in the previous year. The name of the club means "Mass, Energy, Time, and Space." It is affiliated with the University of Wisconsin Extension Service and the National Association of Future Scientists of America.

The club members and Mr. Earl Bloomfelt, the club advisor, visited the Water Quality Laboratory in Duluth to evaluate pure research.

Various doughnut and pop sales earned the money needed for science projects. In March, the club members sponsored an all-school annual science fair at which science projects were displayed.

The officers elected in the fall were: Whipp Johnson, president; Joan Typpo, vice-president; Karen Lane, secretary, and Jeff Jensen, treasurer.

Social Science Society

Is Involved in Community Activities

With a trip to Madison as its goal, the Social Science Society kept busy all year. The trip, made possible by doughnut and other sales, was planned for a study of the legislature and a look at the capital building.

Sue Lavine as President of the Society and Mrs. Laura Bowden as advisor organized dances for the emotionally disturbed at St. Joseph's Home. The group also petitioned for low rent housing for the elderly, and got the social science classes interested in the annual Human Relations Workshop.

The Student Center, where students can help with subjects and use resource materials, was also run by the club members. Entry to the club was available to anyone taking a social science course.

Sponsors Spanish Banquet

This year's 40-member Spanish Club consisted of students from all three classes.

Starting the year off with a marching unit in the Homecoming Parade, the group held meetings once a month. Advised by Mrs. Marjorie Rutan and Mrs. Susan Olson, members held doughnut sales during the year to earn extra money.

The highlight of the year was a Spanish dinner, with that country's food being served. Entertainment was Spanish games.

This year's officers were Patricia Smith, president; Michael Lawler, vice president; Penny Juel, treasurer; and Carol Erickson, secretary.

Award Two Scholarships

The French Club, under the guidance of Miss Kathy Geisecke, began the year with an initiation party held in October. The club earned money through doughnut sales during the year. This money was used for two \$100 scholarships that were given to two outstanding seniors at the end of the year.

The club members sponsored a January ice skating party as their annual social event.

The officers elected last spring were: Kathy Gagnon, president; Linda Malmquist, vice-president; Peggy Kelly, secretary; and Janet Shober, treasurer.

In the senior year Distributive Education is called Cooperative Education. Each student selected for the program is

hired by one of the local businesses. The student receives two credits in the senior year.

DECA Club was very active this year under the direction of Mr. Albert Richards. The club held various hot dog, french fries, and pop sales to earn money for state conventions, field trips, and other activities. DECA is comprised of 53 students.

Keep Students Well Informed

In the beginning of the year, students in Mrs. Karen Monahan's speech classes were asked to volunteer to make announcements on the PA system during the homeroom periods. These students then paired up, and gave announcements for one week at a time. Mrs. Monahan was responsible for approving the announcements before they were aired.

Consisting of 19 students, the main objective of the Library Science class was to give instructions to the students in the various phases of library work as well as practical application of this work. This includes shelving of materials, filing catalog cards, typing, and repair of materials. Students serve as assistants to their fellow students in locating needed materials. Students are graded on written assignments from the text, performance of library routines, and written examinations.

Office Help, Audio-Visual Aids

Volunteer Service to Aid Others

Over 125 girls worked in the various offices this year. These girls worked on a volunteer basis during their study periods. Serving as office assistants in the main office, guidance office, Mrs. Alice Mitchell's and Mr. Fran Paquette's office, the girls worked during the entire day. Some of their duties were telephoning parents, collecting absent slips and distributing mail. Mrs. Mitchell served as chairman of the office help girls.

A total of five juniors and three seniors comprised the team of boys who work five hours per week to assist teachers in the use of audio-visual aids. These boys also worked on a voluntary basis during their study periods. Trained by Mr. Glenn Parish, some of the boys' duties were distributing equipment and making minor repairs. Equipment included 16 projectors, 14 tape recorders, six phonographs, two radios, and two television sets. Concentrates Efforts on Trophy Case

The purpose of construction technology is to supply the students with not only the technology of building but also the actual building skills required to go into the construction trade.

Blueprint reading, cabinet making, masonry, painting, floor coverings, and interior-exterior finishing work were all taught.

The students concentrated on the main project of building a trophy case. Their plans included a brick front with a mixture of

wood and large glass and inside lighting.

Debate Club

Begins This Year

The Debate Club, a new organization this year, was comprised of twelve sophomore, junior, and senior students. At their meets, club members debated the national resolve about whether or not the government should establish pollution control laws.

At the Lakehead Meet, held at Superior State University in December, John Mahan and Peter Lawson, who debated the negative view of the resolve, took second place out of 53 teams.

Officers were John Mahan, chief affirmative; Peter Lawson, chief negative; Timothy Johnson, secretary and historian, and Pamela Johnson, treasurer.

Mrs. Karen Monahan and Mr. William Rehnstrand were Debate Club advisors.

Snow Week 1971 began with a faculty-senior boys basketball game played during an all-school assembly. Other activities for the week of Feb. 8-13 included water polo, basketball, ski races, broomball, swimming, girl's hockey, and Dress Up Day.

The finale of the week was the annual Snow Week dance, "Winter Festival." The dance set the scene for the coronation of Queen Jean Ann Conley and her court, Junior Princess, Sally Schlais, and Sophomore Princess, Mary Sutherland.

The three girls were again introduced the following evening at the hockey game against Duluth Denfeld.

Newspaper Staff

Creates a "Mini-Spectator"

The 1970-71 Spartan Spectator staff had an early start raising money as it held bake sales in the summer months. Sales of various kinds were held throughout the year by the group.

Advised by Mrs. Helen Bernacki and edited by Nancy O'Konek, the staff originated a "Mini-Spectator." This consisted of two to four pages of mimeographed sheets attached together. The purpose of this paper was to provide students with more up-to-date news.

Seven papers were distributed during the year. Reporting stories, typing, selling ads, and laying out pages were some of the requirements of organizing these papers.

The majority of the students on the staff had a one year training in Journalism and the rest were individually selected.

Grammar, word usage, and spelling must be carefully watched by students writing copy.

Photographers spend much time taking, developing, and printing pictures for the yearbook.

Students selling ads gain confidence in working with the business world while index people get a good chance to practice the alphabet.

Yearbook

Records Memories for Fellow Students

As in previous years the yearbook staff worked diligently to achieve their goal of an improved yearbook while "telling it like it was."

Rushing to meet deadlines and trying to get copy blocks, mounting boards, indexing, and advertising finished, each experienced a feeling of relief knowing he had accomplished his given assignments. Much time was spent during and after school to give extra help needed to touch up uncompleted pages.

Yearbooks were distributed in May to all students participating in the Student Activity program.

The yearbook staff worked hard to complete the yearbook.

Students work hard to make the problem-solving page look good.

Homecoming

Makes 1970-71 a Remembered Year

Homecoming proved to be a big success at SSHS this year as Superior Senior won its first homecoming game.

Throughout the week students worked diligently on floats hoping that their's would win first place. The Marching 100, cheerleaders, homecoming candidates, and about twenty floats participated in the parade.

The climax of the week was the game with Robbinsdale High School in which the Superior Spartans took the victory with a final score of 12-6.

Lynn Moran, senior, was crowned queen at the Friday night football game and reigned over the dance Saturday evening. Students enjoyed concluding Homecoming "70" by dancing to the sounds of the Sun Fox.

Christmas Dance

Proves to Be a Seasonal Success

"It Came Upon a Midnight's Dream" set the theme for this year's Christmas Dance, December 19, in the cafeteria and link areas. The Wagner Brothers Quartet provided the music for this "girl-ask-guy" occasion and nearly 300 couples attended. The girls were dressed in their formals that so well fit the holiday season and all had that "dreamy" look in their eyes.

Candy canes hung from the ceiling above Santa Claus who was standing near the fireplace. Other decorations that added to the Christmas spirit was a large snow man in the center of the circle.

According to many students, this long awaited event proved to be a very successful beginning to an enjoyable vacation.

Prom

Expresses Memorable Time for All

On May 23, 1970 the annual Junior-Senior Prom was hosted by the junior class. "Wish Upon a Star" set the theme of the prom. Soft-colored lighting enhanced the decorations which provided a dream-like atmosphere. Students danced to the music of the Dave Mattson Sextet and refreshments were served. King Larry Rivord and Queen Debbie Finckler reigned over the memorable event.

The honor of Prom Queen is passed on to Debbie Finckler from Kathy Lueck.

REACHING OUT ...
... TO THE FUTURE

Reaching out, grasping, and finally holding onto, are the main parts of every person's life through his high school years.

For sophomores, it's reaching for new friendships and security in their new surrounding. Juniors attain confidence by becoming involved.

For seniors, the end of the year brings closed books, peaceful minds, and silent hands. Knowledge and maturity have evolved through understanding and friendship. The doors of the future remain open, offering us the anticipation of new ideas and concepts.

The future is ours and we are the future

If there is a theme for the 1971 LACEDAFMON, that theme is HANDS — and without 78 very devoted hands, there would be no book at all.

There are always enjoyable times in putting out a yearbook, but few people realize that there is plenty of plain hard work — endless indexing, picture pasting, copy writing and picture scheduling.

Our thanks go to:

the section editors and the people who worked so diligently under them;

the photographers who spent many late hours in the darkroom;

the student body for their cooperation with the staff and their eagerness to "ham it up" for the photographers;

our advisors, Mrs. Teri Leibforth and Mr. Joseph Sitek, for their unwavering patience and faith in us.

LAWRENCE MAGIC THAT HAS CAPTURED
THE TIME OF OUR LIFE, LOVE IS THE
MAGIC. MAY THE GHOST OF HEAVEN
OUR LOVE FROM THE SINS OF ANGER
HATE AND JEALOUSY. I PRAY THE
BRIDGE OF OUR OPEN COMMUNICATION
IS NEVER CLOSED. MAY OUR SAMES AND
DIFFERENCES ALWAYS BLEND AND NEVER
CLASH.

I PRAY THAT ALL YOUR DREAMS
AND HOPES COME TRUE, THAT YOU ARE ENDORED
WITH THE TRUE VALUES OF HAPPINESS AND
NEVER FOOLED BY FALSE SECURITIES AND
VISIONS.

IF HONEST SPIRITUAL LOVE IS YOURS
THEN MAY IT BE YOUR ETERNALLY AND MAY IT
NEVER LEAVE YOU,

MAY YOUR ~~SHINE~~ BEAUTY BEAUTY
SHINE FOREVER AND MAY IT LIGHT THE
PAINTED PATH OF MY LIFE.

I LOVE LOVE, I ADORE YOUR LOVE,
OUR LOVE IS MY LIFE LONG MEASURE
THE PURSUANT OF YOUR LIGHT

TOM
